PRIVATE LABEL

Tezgahsal does not have its own label. We offer a unique service to our customers through our private label program. We believe in the power of branding. We provide the label services you see in the image for your brands.

QUALITY COTTON

As the Tezgahsal brand, we use the highest quality cotton threads. Quality cotton not only provides users with a comfortable experience but is also ecologically significant due to its environmentally friendly cultivation methods. Therefore, quality cotton is an important choice for both consumers and the environment.

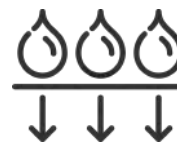

CHEMICAL FREE

As the Tezgahsal brand, we take inspiration from nature and avoid chemical additives in our products. Our products are crafted using only the purest and natural materials with the aim of preserving your health and our environment. This allows us to produce products that are respectful and healthy for both our customers and the planet.

IRONABLE

As the Tezgahsal brand, our products are designed to save you time with their easy ironing feature. Our products are a perfect choice for both everyday use and special occasions, helping you always look impeccable. With their ironability, elegance, and practicality are at your fingertips.

HIGHLY ABSORBENT

As the Tezgahsal brand, our products thanks to their high absorbency, have an excellent water-absorbing capacity. They dry quickly after every use, ensuring your comfort. This feature provides convenience everywhere, from the beach to home, from the hammam to the sauna. With our products that combine elegance and functionality, make every moment of your life more comfortable and practical.

WASHABLE

As the Tezgahsal brand, our products offer practicality with their easily washable feature. They rejuvenate and clean with every wash, ensuring the same freshness and hygiene with each use. This feature guarantees the longevity and easy maintenance of our products.
